

*Since the CDC began recommending that everyone wear face masks in public places, people with glasses have learned the hard way that these masks cause their glasses to fog up just about every time they exhale.*

Introducing **Leader**  
**Anti-Fog Lens Wipes...**

a convenient way  
to prevent your  
glasses and  
face shields  
from fogging up!

- Convenient single towelette application that's a combination lens cleaner and anti-fog treatment all in one!
- Works with all lens types, including AR coated lenses!
- Safe and effective for all lens materials and coatings.
- A necessity for occupational safety, sports eyewear, healthcare goggles and shield.
- 3rd party tested and award COLTS Performance Seal.
- Keep your patients seeing clearly at the doctor's office, shopping, home or in the workplace, driving, inside/outside activities and more.
